## The Trade Fair

### Choose the right platform to meet your customers

The success of the previous 14 editions demonstrates the dominance of ANUTEC - International FoodTec India as "the platform" in India for the food and drink supplier industry. The industry meets at this show to exchange new developments and showcase the future of the food and drink industry in India.

Over the years this exhibition has become the important sourcing platform not only for Indian companies but also for neighbouring countries like Sri Lanka, Nepal, Bangladesh, Myanmar & also for MENA Region.

At ANUTEC - International FoodTec India 2020, the complete range of industry products will be displayed along with the concurrent segments - Anutec Ingredients India, PackEx India & Food Logistics India which are dedicated to the sweet & snack processing, dairy processing, food ingredients, packaging industry respectively.

The Indian Food and Drink industry is one of the fastest growing industry sectors in India and is expected to grow at an encouraging pace of **~20% over the next five years.**

Investments are being made by various Indian and multinational companies to boost sales and build market share in this fast growing industry. Such investments and growing need for technology upgradation are creating enormous sales opportunities for suppliers to the food and drink industry.
