Annapoorna - ANUFOOD India will be held from 14-16 September 2022 in Mumbai with ANUTECH - International FoodTec India. Current edition cancelled due to COVID-19 situation in Mumbai.

Koelnmesse India and Federation of Indian Chambers of Commerce and Industry, FICCI, have jointly decided to cancel the Annapoorna - ANUFOOD India edition for 2021. The next edition is scheduled from 14-16 September 2022 at Bombay Exhibition Centre, Mumbai.

According to the Municipal Corporation of Mumbai, B2B events with large public gatherings are not allowed at this time. Although the situation regarding coronavirus is improving in most parts of the country, the risk of a spike in infection cases persists in some places, including Mumbai city.

We support the measures taken by the Government considering this situation and the past COVID-19 outbreak. In accordance with the directions from Government authorities and to ensure the safety of all participants, the Annapoorna - ANUFOOD India exhibition, which was scheduled in September 2021, has been cancelled. The event will now take place from 14-16 September 2022 alongside ANUTECH - International FoodTec India, PackEx India, Food Logistics India and ANUTECH - Ingredients India at Bombay Exhibition Centre, making it the largest and most comprehensive food exhibition in the Indian subcontinent.

Mr Manab Majumdar, Deputy Secretary General, FICCI said, "Customers' safety and convenience are our ultimate priority; hence after receiving feedback from multiple stakeholders, we have decided to cancel the trade fair. This will allow our domestic and international exhibitors and visitors to plan well for Annapoorna - ANUFOOD India - India's leading international exhibition on food & beverage trade and retail market."

Mr Milind Dixit, Managing Director of Koelnmesse YA Tradefair Pvt. Ltd. said, "The 2022 edition of Annapoorna - ANUFOOD India returns with ANUTECH - International FoodTec India, making it the most powerful B2B platform for the industry. We are geared up to create a safe and truly international experience for exhibitors, visitors and industry partners under our #B-SAFE4business initiative."
